

# How to submit data

to the Atlantic Canada Conservation Data Centre

## Option 1

Submit your data directly to us

Step 1

### Download the template

The template is always up to date at [github.com/atlanticcanadacdc/template](https://github.com/atlanticcanadacdc/template)

### Use the reference guide

All the information you need to enter your data into our template is at [github.com/atlanticcanadacdc/template/wiki](https://github.com/atlanticcanadacdc/template/wiki)

Step 3

### Enter your data into the template

Ready? Email your spreadsheet to [James.Churchill@accdc.ca](mailto:James.Churchill@accdc.ca)

Step 4

### Provide your feedback

There are two ways to provide feedback.

Submit this form:

[forms.gle/KPK2V3p3BK7kMLdz7](https://forms.gle/KPK2V3p3BK7kMLdz7)

Post on our discussion board:

[github.com/atlanticcanadacdc/template/discussions](https://github.com/atlanticcanadacdc/template/discussions)

## Option 2

Use iNaturalist

Step 1

### Log in to iNaturalist.ca

To create an account, go to [inaturalist.ca/signup](https://inaturalist.ca/signup)

Step 2

### Add your observations

Check out the [iNaturalist Guide](#) for more information about how to submit observations!

Step 3

### Include your data in AC CDC iNaturalist projects

Add your observations to our [Rare Species projects](#)! This ensures that we have unobscured access to your iNaturalist observation data.
